Further details will be announced in the foreseeable future.

ARTfair Innsbruck is an excellent opportunity to network with regional and international artists and other interested parties and art lovers get their money's worth. The focus of the art fair is on international contemporary art. Galleries and art dealers from various nations show international contemporary fine art, classical modernism, pop art and other current trends of the 20th/21st century - paintings, works on paper, edition objects, original prints, sculptures, objects/installations, photographs, new media as well as original art projects and NFTs.
